Public Transportation

Busses and trams

Tickets are available in the ticket machines at the public transport stops and in some of the newspaper stands. Ticket machines accept coins of value 5 cents to EUR 2 only. Immediately after entering the public transport vehicle, you have to mark your ticket in the marking machine - the machines lock automatically 30 seconds after departure from the stop. Ticket inspectors from the Bratislava Transport Company spot-check tickets occasionally. They enter the bus or tram at a random stop and check all passengers' tickets. A passenger without a valid ticket or season pass can be charged a fine of the valid fare multiplied by 100. Timetables and more information at:

Hailing a taxi on the street is sometimes twice as expensive as calling a taxi, taxis in front of the Bratislava airport, main train station and main bus station can be even more expensive. BOAT TOURS

Several boat services operate on the Danube River in Bratislava including the popular **'Twin City Liner'** rapid service to and from Vienna, as well as sightseeing ferries and leisure boat rides. Summertime leisure cruises to the Danubiana Meulensteen Art Museum in Čunovo and the Devin Castle are also popular. Devin is just North of Bratislava and boasts one of the most important historical sites in Slovakia. The Castle has a written record dating back to 864 AD but unfortunately, only large ruins exist now, as the Napoleonic armies destroyed the castle.
